## CIMPA 2007

## **Centre International de Mathématiques Pures et Appliquées International Centre for Pure and Applied Mathematics**

Algebraic Approach to Differential Equations

> November 12-24, 2007 Alexandria, Egypt

Mathematics for Modeling and Simulation

> June 12-23, 2007 Cali, Colombia

Stochastic Models in Mathematical Finance

April 9-20, 2007 Marrakech, Morocco Mathematics for the Internet and New-Generation Networks

March 12-22, 2007 La Pedrera, Uruguay

Mathematical and Health Statistics

> April 16-29, 2007 Yaounde, Cameroon

Arrangements, local systems and Singularity theory

June 11-22, 2007 Istanbul, Turkey

Differential Equations and Operator Theory

July 23 - August 3, 2007 Arusha, Tanzania Configuration Spaces and Applications

February 12-19, 2007 Lahore, Pakistan

Multiple scales problems in F Biomathematics, Mechanics, Physics

> and Numerics August 6-18, 2007 Cape Town, South Africa

Mathematical Finance (IMAMIS)

April 23 - May 4, 2007 Hanoi, Vietnam

Numerical Methods for Partial Differential Equations (IMAMIS)

August 27 - September 8, 2007 Manila, Philippines United Nations Educational,

Scientific and Cultural Organization
